

CSWIP examination exemptions for NDT Certification

Candidates sitting initial CSWIP examinations are not required to attempt an examination part in which they have already achieved success during the process of gaining a CSWIP or equivalent EN 473 or ISO 9712 certification issued by a recognised certification body*

CSWIP will grant exemptions for the Level 3 Basic examination part A1 (materials processes and discontinuities) and part B (Level 2 knowledge of four NDT methods) and the level 3 Main Method examination part C1 (Level 3 knowledge relating to the test method) for holders of centrally issued valid ASNT Level III certification.

* A recognised certification body is one which is accredited by an organisation that is a member of the International Accreditation Form (IAF), eg UKAS against the requirements of ISO 17024 to issue certificates in accordance with ISO 9712 and/or EN 473.

If you wish to claim an exemption please complete the form given below:

Candidate's Name: _____
